North Northamptonshire Winter Sleepout – 19th January 2024 – Wicksteed Park, Kettering

Are you up for a challenge that will warm your heart while you brave the cold?

For one night, give up the luxury of your bed and swap it for a sleeping bag on the floor at the Accommodation Concern Sleepout Fundraiser.

Together we can and make a real difference in the lives of those facing homelessness and poverty in North Northamptonshire. By participating as a sleeper or donor, you'll be supporting individuals in our community who are experiencing severe hardship and distress.

Your contribution will enable us to provide essential services such as high-quality housing advice, safe supported accommodation, money management assistance, debt and benefits support, and a resettlement programme. These services are crucial in helping individuals maintain their current tenancies, take control of their situations, and rebuild their lives.

While spending one night sleeping on the floor cannot fully replicate the challenges faced by the homeless, the Sleepout offers a glimpse into the reality of not having a home. It's an opportunity for us to demonstrate our commitment to preventing anyone becoming homeless.

Together, we can create positive change. Join us at the Sleepout Fundraiser and let's work to ensure everybody in our community can have a roof over their head.

Registration: We are asking for £10 to register your place and secure your spot. Please pay the £10 by clicking on the donate button on our dedicated Winter Sleep Out donation site before setting up your own fundraising page.
